The Alaska Maritime National Wildlife Refuge (NWR) is not compactly depicted on this map due to its complexity. However, they are not outlined. The Alaska Maritime NWR is described as follows:

The Alaska Maritime NWR consists of all public lands, including submerged waters and interests therein on islands, islets, rocks, reefs, spires, and designated capes and headlands in the coastal areas and adjacent seas of Alaska extending westward from the Canadian border to the Aleutian Islands, Alaska Peninsula, and Gulf of Alaska Lands, and includes an undetermined quantity of submerged land, if any, retained in Federal ownership and not conveyed to the State of Alaska or Native Corporations. The refuge is generally depicted on the USGS maps entitled, "Alaska Maritime National Wildlife Refuge" dated October 1975.

Note: This map shows general land ownership information. When reviewing this map, please remember that federal, ANCSA, and state land ownership is depicted, hierarchically, by entire section. For example, any portion of a section (640 acres) falling within State Patented or Tentatively Approved land causes the whole section to be depicted as state land, even if the State Patented or Tentatively Approved land is only a fraction of the section, and federal land and or ANCSA land also occurs in the section.

The land ownership hierarchy is as follows:

1. State Municipal Entitlements or Land Exchanges or Other Land Disposals.
2. Patented Disposed Federal Lands (Native Allotments or Private Parcels).
3. State Patented or Tentatively Approved or Other State Acquired Lands (includes cemetyres: 101-114, 116-117, 120-129).
4. Alaska Native Claims Settlement Act (ANCSA) Patented or Interim Conveyed.
5. Major Military.
6. National Wildlife Refuges, National Park System Units.
7. National Wild & Scenic Rivers outside National Park System Units and National Wildlife Refuges.
8. National Forests and Monuments, National Petroleum Reserve-Alaska, National Recreation Areas and National Conservation Areas.
9. Bureau of Land Management Public Lands.
