OHA USE

SCRIP Field Supervisor Form

This form serves as a record of the qualified individual serving as Field Supervisor for a SCRIP when:

- A) a Field Supervisor is assigned *after* SCRIP submission; or
- B) a Field Supervisor changes during the course of a project; or
- C) if specifically required by OHA as an additional SCRIP condition.

If the SCRIP permittee will serve as Field Supervisor, and shall be present on site for fieldwork, this can be noted on line A (7) on the first SCRIP signature page. Should another individual assume the role of Field Supervisor at a later date, the permittee shall then update OHA using the Field Supervisor form.

Informed Professional Judgement

The Field Supervisor must be aware of and comply with SCRIP Stipulations and Instructions.

The Field Supervisor must be knowledgeable and informed by the background research included in the SCRIP application.

The Field Supervisor must conduct fieldwork in accordance with the Permitted Research Design. Major deviations from the Permitted Field Methodology require consultation with OHA.
