

Cultural Resources Contractor's List

Note: Participants are not certified in any way by SOA, OHA. It is up to the individual to make sure the consultant is qualified to do the work they are hired for.

Following is a list of persons who have requested that their names be included in the Alaska State Historic Preservation Office cultural resource consultants list. This list does not represent a certification, endorsement, recommendation or assumption of responsibility for the work of any consultant. We do not verify that firms or their staff meets the qualification guidelines outlined by the Secretary of the Interior or the State of Alaska. The qualifications for federally funded projects can be found at http://www.nps.gov/history/local-law/arch_stnds_9.htm, for state funded projects the minimum qualifications are a B.A./B.S. in archaeology, history, preservation, architectural history, or a related field. Please make sure you verify the firm/individual hired meets the qualification guidelines to reduce potential issues during Section 106 review
