NATIONAL REGISTER OF HISTORIC PLACES
RIGHTS OF OWNERS TO COMMENT AND/OR TO OBJECT TO LISTING

Owners of private properties nominated to the National Register of Historic Places have an opportunity to concur with or object to listing in accord with the National Historic Preservation Act and 36 CFR 60. Any owner or partial owner of private property who chooses to object to listing may submit, to the State Historic Preservation Officer, a **notarized** statement certifying that the party is the sole or partial owner of the private property and objects to the listing. Each owner or partial owner of private property has one vote regardless of the portion of the property that the party owns. **If** a majority of private property owners object, a property will not be listed. However, the State Historic Preservation Officer shall submit the nomination to the Keeper of the National Register of Historic Places for a determination of the property's eligibility for listing in the National Register. **If** the property is then determined eligible for listing, although not formally listed, federal agencies will be required to allow the Advisory Council on Historic Preservation an opportunity to comment before the agency may fund, license, or assist a project which will affect the property.

If you choose to object to the listing of your property, the notarized objection must be submitted within **thirty (30)** days of receipt of this letter to:

Judith E. Bittner, State Historic Preservation Officer
