

Chena River State Recreation Area

Common Hunting Rules

- *A person may not leave camping equipment or a vehicle in an undeveloped area of a state park for more than 72 hours unless the person is primarily engaged in recreation activities on a daily basis in the state park in which the camping equipment or vehicle is located 11AAC 12.220(b).*
- *A person may not camp at the same location in an undeveloped area of a state park for more than 10 consecutive days in a calendar year, except as authorized by the director 11AAC 12.230(l).*
- *Viscera must not be left within 100 feet of a trail, road, or a developed facility 11AAC 12.050(d).*
- *No person may disturb, damage, deface, or remove natural objects including trees, plants, moss, rocks, gravel or minerals 11AAC 12.170(a). (Collecting berries or dead wood lying on the ground/burnt wood for use in the park is allowed).*
- *Target shooting is allowed only at the 36.5 mile shooting range 11AAC 20.460.*
- *The discharge of any weapon (firearm, bow, air rifle, slingshot, etc.) is prohibited within ¼ mile of a developed facility (trail head, cabin, etc.). These closure zones are signed with no shooting signs on Chena Hot Springs Road but extend ¼ mile in all directions from the facility 11AAC12.190.*
- *The use of off-road vehicles (ATV's) is allowed in the Chena River Recreation Area only on trails officially designated and marked as open to off-road vehicles 11AAC 20. 465.*

All ADF&G rules and regulations apply. Contact a ranger or the park office for questions: 451-2695
