Notice of Adoption of the Final Nancy Lake State Recreation Area Management Plan

On May 19, 2016 the Commissioner of the Department of Natural Resources adopted the Nancy Lake State Recreation Area Management Plan. The Public Review Draft of this plan, as modified by the Recommended Revisions, constitute the final adopted plan by the Commissioner. This plan supersedes the 1983 Nancy Lake State Recreation Area Master Plan. The Public Review Draft version of the Nancy Lake State Recreation Area Management Plan and the Recommended Revisions document can be found at <http://dnr.alaska.gov/parks/units/nancylk/planning.htm>. The procedures for filing a request for reconsideration are provided below.

Request for Reconsideration Procedures

A person affected by this decision may request reconsideration, in accordance with 11 AAC 02. Any reconsideration request must be received within 20 calendar days after the date of issuance of this decision, as defined in 11 AAC 02.040(c) and (d), and may be mailed or delivered to Marty Rutherford, Acting Commissioner, Department of Natural Resources, 550 W. 7th Avenue, Suite 1400, Anchorage, Alaska 99501; faxed to 1-907-269-8918; or sent by electronic mail to dnr.appeals@alaska.gov.

If reconsideration is not requested by that date or the commissioner does not order reconsideration on his/her own motion, this decision goes into effect as a final order and decision on the 31st calendar day after issuance. Failure of the commissioner to act on a request for reconsideration within 30 calendar days after issuance of this decision is a denial of reconsideration and is a final administrative order and decision for purposes of an appeal to Superior Court. The decision may then be appealed to Superior Court within a further 30 days in accordance with the rules of the court, and to the extent permitted by applicable law. An eligible person must first request reconsideration of this decision in accordance with 11 AAC 02 before appealing this decision to Superior Court. A copy of 11 AAC 02 may be obtained from any regional information office of the Department of Natural Resources.
