

Good Earth Garden School.com  
Announcing **Hoop Houses, Cold Frames, Row Covers,**  
**and Other Ways to Beat the Cold**

## **High Tunnel Grower Training: Mat-Su**

**Palmer: The Palmer Soil & Water Conservation District Office  
downtown**

**Three Tuesday Evenings:**

**April 9, 16, and 23**

**From 6PM-10PM**

**\$50.**

includes lab fees.

**Intensive growing in your hoop house or high tunnel presents special challenges in disease and pest control, irrigation, and nutrients. Save yourself years of costly mistakes and snap up this rare blast of knowledge offered by Dr. Jeff Smeenk and Ellen Vande Visse. You'll glean in-depth information about efficient growing methods (organic & inorganic).**

**Topics include:**

**--tunnels etc: building or buying,**

- appropriate crops,
- soil & nutrient management,
- irrigation strategies,
- pest, disease, & weed management,
- marketing

**REGISTRATION** please go to [www.goodearthgardenschool.com](http://www.goodearthgardenschool.com)

**Recruit your friends, too, so we can fill a class.**

**Directions:** Downtown Palmer. Find "Pizzeria Dephi" on West Arctic. Now go around back (North Alaska St) to the PSWCD Office. Whew, easy!
