Thursday, January 24 and Friday, January 25
Pike's Waterfront Lodge, Fairbanks, Alaska

Special Guest: John Bagnasco — John will be talking about grafting vegetables. He has been in the gardening industry for over 35 years, starting with a horticulture degree from Michigan State University and followed by a stint at Frank's Nursery and Crafts in Detroit. He is a GardenLife Radio Show host, author of *Plants for the Home Vol. 1* and head buyer for Armstrong Garden Centers based in Glendora, Calif., and he breeds roses.
