Chuck Kaucic, District Manager

FIRST CALL !!!!

ATV/ORV STREAM CROSSING WORKSHOP

WHO: ATV/ORV trail riders, clubs; outdoor recreation users, public/non-profit agencies; dealers/suppliers, students; & streambank & restoration volunteers.

WHAT: Workshop to exchange information & gain knowledge concerning: motorized trail stream crossings & habitat protection ; low water crossing designs; mapping favorite trails; ATV safety; crossing permits; salmon rearing areas; restoration examples; Swiftwater Creek Trail project; & a panel presentation.

- Rider input is necessary & valued to ensure continued access & planning for stream crossings. Participant input is the reason for the Workshop!

WHERE: Mat-Su College, Snodgrass Hall, off the new Trunk Rd, Palmer

WHEN: Sat. November 10, 2012; 9:30 am – 4 pm.

PROGRAM: 5 station open format; 1) Mapping; 2) ATV Safety; 3) Salmon stream characteristics; 4) Stream crossing sensitive habitats; 5) Swiftwater Creek ATV/ORV Stream Crossing project; & a Panel Discussion - consisting of: riders, public land managers, hydrologist, regulators, & resource professionals @ 3-4 pm.

COST: Workshop is Free; on your own lunch is available @ the College cafeteria

CONTACT: Brad Dunker, ADF&G, 267-2541, bradley.dunker@alaska.gov;
