

High Tunnel Grower Training: Homer

Kenai Peninsula College in Homer

Want to market what you grow in your hoop house or NRCS high tunnel? Save yourself years of costly mistakes and snap up this rare blast of knowledge offered by Dr. Jeff Smeenk and Ellen Vande Visse. You'll glean in-depth information about efficient growing methods (organic & inorganic); ways to conserve on labor and materials; and marketing profitability.

Weekend Intensive: February 3, 4, 5

Friday evening 6-9pm, Saturday 9am-5pm, and Sunday 10am-2pm

Non-credit

Questions: Carol Swartz INCIS@kpc.alaska.edu

Location: Kachemak Bay Campus at Pioneer Hall, 533 E. Pioneer Ave., Homer.

Cost: \$85 (this cost is extraordinarily low for the high-powered information gained)

Register: Non-locals, it's easiest to email or call 907-235-7743 and have the registration form faxed/emailed to you. The online system only works easily if you are already in the UAA system and took previous classes/workshops. Locals should just stop by the Kachemak Bay Campus. The class is formally called "High Tunnel Development, SBT AO49Z".
