Farm to School Challenge Project Description

1. What type of farm to school activity did your project emphasize?

- October 24th food day activity
- School gardens
- Local food production
- Cooking local food
- Nutrition and healthy eating
- Other (please specify)

Do you qualify for any bonus points?

Remember you can get 5 bonus points per item listed below (up to 15 points)

1) If your activity takes place during the month of October you will automatically get 5 extra points. For those of you who have projects already planned for dates outside of October...don't worry. Just present your project during the month of October to help spread awareness of how and why it made a difference with your group.

2) Take the 'Farm to School Counts' pledge! Go to the National Farm to School Network site and pledge you activities and get entered to win a prize: <http://www.farmtoschoolmonth.org/farm-to-school-counts-pledge/>

3) Add your event to the National Farm to School Network and get your program put on the map: <http://www..farmtoschoolmonth.org/send-in-your-event/>.

2. Bonus point activities

We will verify the National Farm to School Network (NFSN) activities after the contest ends.

Taking the NFSN pledge and adding your event/activity to the map are two easy ways to get extra points and you can do them at any time. If you haven't done either of those we encourage you to mark 'Yes' and then take a few minutes to do them both.
