Adoption of a Strategic Plan for Invasive Weeds and Agricultural Pest Management
Public Review Draft

Alaska Statute 03.05.027 (b)(1) directs the Department of Natural Resources, Division of Agriculture to “develop, implement, and annually review a comprehensive state strategic plan for the control of noxious weeds, invasive plants, and agricultural pests; the plan must include an early detection and rapid response system for invasive plants consistent with federal guidelines;”.

To satisfy these requirements the Division of Agriculture has prepared a public review draft “Strategic Plan for Invasive Weeds and Agricultural Pest Management”. The draft can be viewed at:

<http://dnr.alaska.gov/ag/Index/StrategicPlanInvasiveweedsandpests.pdf>

The public is invited to comment on the public review draft at this time. All comments on the public review draft must be submitted in writing to the Division of Agriculture by February 25, 2011.
