**State of Alaska
Department of Natural Resources
Board of Agriculture and Conservation
ARLF OTC Sale #09-01**

Subject to AS 03.10.050 and regulations implementing this law, the Board of Agriculture and Conservation (BAC) by and through the Division of Agriculture offered by competitive bid sale the former Matanuska Maid Bottle Manufacturing Facility in Palmer, Alaska. The Division did not receive any responsive bids. Pursuant to the terms of the offering at section 4.4 of the brochure:

4.4 Over-the-Counter (OTC) Offering. In the event no qualified bids are received, the Board of Agriculture and Conservation has authorized the Division to offer the property through an OTC process outlined in Section 5 of the ARLF Sealed Bid Sale #09-01 brochure.

The terms and conditions defining the OTC process can be found in Section 5 of the ARLF Sealed Bid Sale #09-01 brochure. Brochures are available on the Internet at www.dnr.alaska.gov/ag/ag_matmaid.htm. Brochures can also be picked up at the Division of Agriculture Offices in Fairbanks or Palmer. Questions or comments regarding the sale process may be directed to Ray Nix, Asset Manager at 761-3870 or by email to ray.nix@alaska.gov.
