**Subject:** Sale/Lease of MtMMS

Hello,

As a local customer of MtMMS for over 35 years, and as a contributor to the income to the ARLF, I would like assurance of access to slaughter services at MtMMS by the new lease holders or buyers. These services would be for my cattle, pigs, sheep, and reindeer.

I would also like assurance of availability for a reasonable price for the 4-H Market Livestock animals at the Palmer Alaska State Fair.

I would also like assurance of availability for a reasonable price of slaughter of animals to my clients of Knik River Veterinary Services, LLC.

I would also like assurance of availability for a reasonable price of slaughter of animals to my fellow Alaskan farmers.
