I hereby voluntarily apply for inspection and agree to abide by all the rules and regulations governing certification in Alaska. I agree to sell as certified seed potatoes only those which have met all the requirements of the Alaska Potato Seed Certification Program. Potatoes for Home Use cannot be sold as seed. I understand that inaccurate information may be cause to deny certification. I understand incomplete applications and nonpayment of fees may be cause to reject applications. By applying for certification, I grant access to state inspectors or their designees to certifiable fields and seed storage facilities. I assume no liability by granting such access.
