GOVERNOR'S CERTIFICATION

I, Sarah Palin, Governor of the State of Alaska, certify to the United States Secretary of Commerce that to the best of my knowledge and belief the State of Alaska is consistent with the law as specified at 43 U.S.C. 1356a(c)(2)(B)(ii)(IV) and has provided ample opportunity for public participation in the development of the State of Alaska's Coastal Impact Assistance Program plan.

As prescribed in the Coastal Impact Assistance Program, State Plan Guidelines, Section 5.2.3, the State of Alaska provided public notice of the Plan availability and provided a 30-day public comment period on the Plan. The Alaska Department of Natural Resources, Division of Coastal and Ocean Management (DCOM) posted a draft Plan on DCOM's web site (<http://www.dnr.state.ak.us/coastal/>) and the State of Alaska Online Public Notice website (<http://notes5.state.ak.us/pn>) from January 11 through February 14, 2008, posted notice in the Anchorage Daily News and Juneau Empire on January 13, 2008, and hosted a public teleconference meeting on the draft Plan on January 31, 2008.

Certified on this the 27th day of June, 2008.
