

## COASTAL IMPACT ASSISTANCE PROGRAM

Section 384 of the Energy Policy Act of 2005 established the Coastal Impact Assistance Program (CIAP). The Act authorized the U.S. Department of Interior, Bureau of Ocean Energy Management, Regulation, and Enforcement (formerly Minerals Management Service) to distributed \$250 million annually for the Federal fiscal years (FY) 2007 through 2010 to Outer Continental Shelf (OCS) oil and gas producing states and coastal political subdivisions (CPSs) to mitigate the impacts of OCS oil and gas activities.

Per a formula prescribed by the Act, Alaska's eight eligible CPSs will receive a combined total of 35 percent of Alaska's allocation. The remaining 65 percent is allocated directly to the state.

In 2007 and 2008 Alaska was allocated 1 % of the national CIAP funds available for distribution. In 2009 and 2010 Alaska was allocated 15.45% of the national CIAP funds available for distribution.
