

ANILCA: Seven Consensus Points of 1979

(See Legislative Resolve #2 of the 1979 Alaska Legislature for full text)

- Revoke all 1978 monuments and executive withdrawals
- Full land entitlements to State and Natives
- Access across federal lands to state & private lands
- State management of fish and game on all lands
- Conservation boundaries should exclude economically important natural resources
- Continue traditional land uses on all lands
- Preclude administrative expansion of conservation units (“no more” clause)
