Dear Mr Stokes:

We recently received Denis Galvin's July 28 update on the Heritage Partnership Program initiative. The State of Alaska appreciates being kept informed on the development of this program concept.

At this time we would like to request a copy of the draft legislation so that we may provide comments, if applicable, on issues of particular concern to Alaska. We believe it will be useful to the National Park Service to seek broader review of this initiative before legislation is introduced.

Thank you for your consideration of this request. If you have any questions, please call me at (907) 561-6131.

Sincerely,

Sally Gibert
State CSU Coordinator
