Mr. Steve Martin, Superintendent  
Denali National Park and Preserve  
P.O. Box 9  
Denali Park, Alaska 99755

Dear Mr.  Martin:

The State of Alaska has received the Environmental Assessment concerning the proposed construction of a replacement trapline cabin in Denali National Park and Preserve. This letter represents the consolidated views of the state's resource agencies.

The State has been highly supportive of NPS cabin proposals which have fostered legitimate subsistence uses on national park lands in Alaska. While it is disappointing it's taken so many years to address this particular subsistence cabin request, we commend the NPS for finally taking this action. The State supports selection of the "Preferred Alternative" which allows construction of the 10'x12' log cabin for subsistence purposes.

The EA cites a draft subsistence cabin report (Johnson, et. al.) We request the opportunity to review this report.

Thank you for your consideration. If you have questions, please call me at 269-7477.

Sincerely,

  
Sally Gibert  
State CSU Coordinator
