LAND OWNERSHIP

- State Lands
- Alaska Native Claims Settlement Act (ANCSA) Lands
- Federal Lands

Produced by:
 Department of Natural Resources
 Division of Land - Division of Support Services
 May 10, 1994

Primary Data Sources:
 National Historic Trails and Iditarod Race Trail: Bureau of Land Management, March, 1994
 Historic Access Routes (RS2477s): Division of Land, Northern Region Office, April, 1994
 State land ownership: Alaska Department of Natural Resources, Land Administration System (LAS), March 31, 1994
 ANCSA land ownership: Bureau of Land Management, January, 1994

Note: This map shows general land ownership information. When reviewing this map, please remember that federal, ANCSA, and state land ownership are shared responsibilities. For example, state land ownership is designated as state land, even if the State Forest or Tule River National Monument is located on the land. State land ownership is designated as state land, even if the State Forest or Tule River National Monument is located on the land. The land ownership hierarchy is as follows:

1. State Reserved or Transferred Agreement, including categories 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 116, 117, 120, 123, 124
2. ANCSA Reserved or Intests Conveyed
3. Federal Lands

Native Abandonment Applications are not included.

This map is an index map to the public land record. More detailed maps (state plans) showing state land ownership are available at the Public Information Center, Department of Natural Resources. Similar maps showing federal and ANCSA land ownership are available at the Public Information Center, Bureau of Land Management.
