 The Alaska Maritime National Wildlife Refuge (NMWR) is not completely depicted. Areas where it is depicted are shaded, however, they are not outlined. The Alaska Maritime NMWR is described as follows:
 The Alaska Maritime NMWR consists of all public lands, including submerged waters and interests therein on islands, islets, rocks, reefs, spires, and designated capes and headlands in the coastal areas and adjacent seas of Alaska within five designated subunits: Chukchi Sea, Bering Sea, Aleutian Islands, Alaska Peninsula, and Gulf of Alaska Units, and includes an undetermined quantity of submerged land, if any, retained in Federal ownership at the time of acquisition under Federal and program lands. The NMWR is generally bounded on the USGS maps entitled, "Alaska Maritime National Wildlife Refuge" dated October 1979.

Note: This map shows general land ownership information. When reviewing this map, please remember that federal, ANCSA, and state land ownership is depicted hierarchically, by entire section. For example, any portion of a section (640 acres) falling within State Patented or Tentatively Approved land causes the whole section to be depicted as state land, even if the State Patented or Tentatively Approved land is only a fraction of the section, and federal land and/or ANCSA land also occurs in the section.

The land ownership hierarchy is as follows:
 1. State Municipal Entitlements or Land Exchanges or Other Land Dispositions.
 2. Patented Disposed Federal Lands (Native Allotments or Private Parcels).
 3. State Patented or Tentatively Approved or Other State Acquired Lands (includes easements 10-14, U.S. 117, 128-129).
 4. Alaska Native Claims Settlement Act (ANCSA) Patented or Interim Conveyed.
 5. Major Military.
 6. National Wildlife Refuges, National Park System Units.
 7. National Wild & Scenic Rivers outside National Park System Units and National Wildlife Refuges.
 8. National Forests and Monuments, National Petroleum Reserve-Alaska, National Recreation Areas and National Conservation Areas.
 9. Bureau of Land Management Public Lands.
