Primary Data Sources:

- State Land Ownership: Alaska Department of Natural Resources (ADNR), Land Administration System (last updated: October 2008), April 2008.
- State Patented, Tentatively Approved or Other State Acquired Lands: Alaska Department of Natural Resources (ADNR), Land Administration System (last updated: February 2008).
- ANCSA: Alaska Native Claims Settlement Act, Bureau of Land Management (last updated: April 2008).
- Other Municipal and Private Lands: Patented Disposed Federal Lands (Private Parcels), Bureau of Land Management (last updated: April 2008) and ANILCA Land Administration System (last updated: April 2008).
- Native Allotments: Patented Conveyed: Spatial Data, Bureau of Land Management (2008), Spatial Data Management System (last updated: March 20, 2005), (last updated: Bureau of Land Management (ADNR, Alaska Land Information System, March 2005), Conservation System Data, Bureau of Land Management (1991) and ADNR (February 1999).
- Major Military: Bureau of Land Management (last updated: April 2008).
- Geographic Place Names: Dictionary of Alaska Place Names (1972) and U.S. Geological Survey Geographic Names (1:1 million scale, extracted by U.S. Geological Survey, 1996, and annotated by ADNR, June 1998).
- Borough Boundaries: ADNR (approximately 1:1 million scale, annotated from U.S. Census Bureau digital files, corrected and updated by ADNR and ADNR, December 1997).
- The Alaska Marine Mammal Health Report (2006) is not complete, updated information is available on the ADNR website. For any information regarding the health of marine mammals, please contact the ADNR website.

Note: This map shows general land ownership information. When covering the map, please consider the following: ANCSA and other land ownership rights are generally, by state action. For example, any portion of a section that is covered by the State Patented or Tentatively Approved or Other State Acquired Lands is not covered by the State Patented or Tentatively Approved or Other State Acquired Lands. The land ownership information is as follows:

- State Municipal Entitlements or Land Exchanges or Other Land Dispositions.
- Patented Disposed Federal Lands (Native Allotments or Private Parcels).
- State Patented or Tentatively Approved or Other State Acquired Lands (last updated: February 2008).
- Alaska Native Claims Settlement Act (ANCSA) Patented or Interim Conveyed.
- Major Military.
- National Wildlife Refuges, National Park System Units.
- State-owned and other lands outside National Park System Units and National Wildlife Refuges.
- National Forests and Monuments, National Petroleum Reserve-Alaska, National Recreation Area and National Conservation Area.
- Bureau of Land Management Public Lands.

The Alaska Department of Natural Resources (ADNR) is responsible for the management and protection of the State's natural resources. The ADNR is committed to providing accurate and up-to-date information on the State's land ownership. The information on this map is for informational purposes only and should not be used for legal or financial purposes. The ADNR is not responsible for any errors or omissions on this map. The ADNR is not responsible for any damages or losses resulting from the use of this map. The ADNR is not responsible for any claims or liabilities arising from the use of this map. The ADNR is not responsible for any claims or liabilities arising from the use of this map.
