

# **TANANA BASIN AREA PLAN AMENDMENT FOR STATE LANDS PUBLIC MEETING**

The Alaska Department of Natural Resources has prepared a draft amendment to the 1991 Tanana Basin Area Plan. A public meeting will be held to present information on the draft amendment. The purpose of the amendment is to reassess plan classifications and guidelines that determine which state lands may be conveyable to the Denali Borough. The borough has a remaining entitlement of approximately 29,000 acres. While the borough has selected its lands, they cannot be conveyed under the classifications in the 1991 plan without amending the plan.

The public meeting will be an “open house” format held on:

**Wednesday, June 4th from 6:00-8:00 pm in Healy at the Tri-Valley  
Community Center**

A presentation will be given at 6:30 pm and there will be an opportunity to ask questions and get more information.
