

**STATE OF ALASKA
DEPARTMENT OF NATURAL RESOURCES
DIVISION OF MINING, LAND AND WATER**

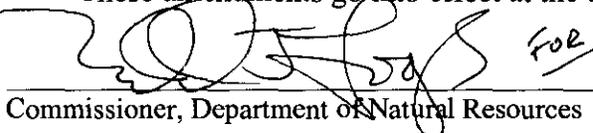

**LAND CLASSIFICATION ORDER AMENDMENT
NO. SE-02-002-A01
and
NORTHERN SOUTHEAST AREA PLAN AMENDMENT**

- I. Existing Area Plan: Northern Southeast Area Plan (adopted October 15, 2002)
- II. This Classification Order and Plan Amendment is based on the *Amended Report, Best Interest Finding, Falls Creek Land Exchange* adopted on February 28, 2006 (ADL 107326). See the *Land Planning and Classification* section in this report and finding on page 8.
- III.

Legal Description	Acreage	Acquisition Authority	Existing Classification	Amended Classification & Plan Designation
See attached map (Figure 1.3) and attached legal descriptions	1,035	GS 837	Public Recreation Land, Reserved Use land	Classification: Reserved Use Land Designation: Public Facilities - Retain ("Pr")

This Classification Order Amendment and Plan Amendment apply to Units A, C, D, E, F and G in Figure 1.3. These amendments do not apply to Unit B which already is already designated Public Facilities - Retain ("Pr") and classified Reserved Use Land. The plan is also amended on Page 3-3 by adding a sentence to the "Public Facilities-Retain" designation definition paragraph which states (consistent with 11 AAC 55.170(2)): "Units with this designation may also be transferred through a land exchange."

- IV. This order is issued under the authority granted by AS 38.04.065 and AS 38.05.300 to the Commissioner of the Department of Natural Resources. The above described lands are hereby designated and classified as indicated. Nothing shall prevent the re-designation and re-classification of these lands if warranted in the public interest. These amendments go into effect at the time the land exchange is consummated.
