Chilkoot Trail

INTERAGENCY LAND MANAGEMENT TRANSFER

The Division of Lands, Department of Natural Resources of the State of Alaska transfers and assigns to the Division of Parks

or its successors in function, hereinafter called Assignee, jurisdiction and management of the following described lands, including uplands, shorelands, tidelands, or submerged lands, located in the State of Alaska, to-wit:

A corridor 300 feet in width (150 C/L) beginning at the south end of the steel bridge across the Taiya River in Section 22 T27S R59E CRM centering on the Chilkoot Trail which follows along the east side of the Taiya River to its headwaters at Chilkoot Pass in Section 17, T25S R60E CRM as per the attached map containing 618 acres more or less and 17 miles in length.

Also a 10 acre tract encompassing the Canyon City Shelter Cabin described as follows: The south 330 feet or more of the SW1/4SE1/4 east of the Taiya River in Section 14 and the north 330 feet or more of the NW1/4NE1/4 east of the Taiya River in Section 23, all in T26S R59E CRM.

Also a 10 acre tract encompassing the Sheep Camp Shelter Cabin described as follows: The south 330 feet or more of the SW1/4NE1/4 east of the Taiya River and the north 330 feet or more of the NW1/4SE1/4 east of the Taiya River in Section 31 T25S R60E CRM.

said jurisdiction and management being limited to the surface and so much of the subsurface as may be required in order to make use of the land for public purposes within the jurisdiction of the Assignee, and for so long as required for said public purposes. The right to construct, maintain or improve and remove buildings, roads, airports and works

of any description, and to use or remove sand, gravel, timber, or other materials on or near the surface is expressly granted when such action is necessary in order to make use of the lands for any public purposes within the jurisdiction of the Assignee. The Division of Lands expressly reserves jurisdiction and management of all other minerals including oil and gas in the above described land, provided, however, that the Division of Lands will not permit surface entry for the purpose of mineral or oil and gas exploration or development without the consent of the Assignee.

Dated at Anchorage, State of Alaska, this 6<sup>th</sup> day of January, 1975.
