**NOTICE:** If mining records indicate that you have conducted any mining related activities that may have resulted in the recovery of locatable minerals, no matter how little, on state land in 2015, or taken locatable minerals out of state (see 15 AAC 65.110(d), you must fill out the entire form, or your claims will be at risk of being abandoned under law AS 38.05.265, regardless of whether your activities resulted in a profit. If you have more than one mining operation on state land, combine the net income values, including royalties in one form.

If your activities were not related to the production of locatable minerals, you may complete the "Miner and Owner" portions only of Section I below, indicate "None" in the other sections, sign the form, and check this box.

*UNSIGNED FORMS WILL BE CONSIDERED NULL AND VOID (See Section IV)*

**Section I**

## CALCULATION OF PRODUCTION ROYALTY

**INSTRUCTIONS:** If you mined or sold produced minerals in 2015, or were in the development stage for future mining, **you must** file a Mining License Tax return with the Department of Revenue by April 30, 2016. If you conducted mining related activities on state-owned land, you must also file a Production Royalty Return with the Division of Mining, Land and Water by May 1, 2016, (unless you file your Mining License Tax return on a fiscal year basis rather than the calendar year (See #2 below)). An extension for up to 120 days may be granted if a **written** request is received by April 21, 2016. Failure to timely file and pay production royalty will result in abandonment of the claims listed on your APMA, Affidavits of Annual Labor, or other mining documents.

**Notice – If you filed an APMA and had a mining permit for mining claims on state land, or other mining records indicate that you mined in 2015, you must fill out the information below, otherwise your claims are at risk of being abandoned under law AS 38.05.265.**

### **SECTION I Continued**

*(For Section I, you must choose between Items 1, 2 or 3)*

1. If you file your Mining License Tax return on a <b>calendar</b> year basis, and your income from mining operations is attributable only to minerals that you produced from state land or Mental Health Trust Land <b>check here</b> . <i>(If you check the box for Item 1, skip Items 2, 3 and 4 (a-d) and proceed to Item 5.)</i>	<input style="width: 40px; height: 20px;" type="checkbox"/>
2. If your mining income is attributable to minerals that you produced only on state land, and if you <b>do not</b> file your Mining License Tax return on a calendar year basis, <b>check here</b> then <b>complete the Production Royalty return for the same fiscal year that the Mining License Tax return was filed. The Production Royalty return and payment are due on the first day of the fifth month following the end of the fiscal year for which the Mining License Tax return was filed.</b> <i>(If you check the box for Item 2, skip Items 3 and 4 (a-d) and proceed to Item 5.)</i>	<input style="width: 40px; height: 20px;" type="checkbox"/>
3. If your mining income is attributable to minerals produced on <b>both</b> state land and non-state land, and you have segregated income, expenses, and deductions in accordance with 11 AAC 86.766, <b>check here</b> then complete the Mining License tax Form 04-662 or Form 04-662SF for the preceding <b>calendar year or other fiscal year</b> , reporting only income, expenses, and deductions attributable to state land. <i>(If you check the box for Item 3, you must check an option in Item 4 (a-d) then proceed to Item 5.)</i>	<input style="width: 40px; height: 20px;" type="checkbox"/>
If you checked the box in paragraph 3, a copy of Mining License Tax Form 04-662 or Form 04-662SF must be submitted with this Production Royalty return. This submission does <b>not</b> relieve you of your obligation to file a completed Mining License Tax return with the Department of Revenue when due.	
4. If you checked the box in paragraph 3, indicate which method you used to segregate income, expenses, and deductions and check the appropriate box to the right:	
a. separate or traced accounting of minerals, income, deductions, and expenses (11 AAC 86.766(b))	<input style="width: 40px; height: 20px;" type="checkbox"/>
b. actual income with proportionate deductions and expenses (11 AAC 86.766(c))	<input style="width: 40px; height: 20px;" type="checkbox"/>
c. apportionment of gross income, deductions, and expenses based on volume or tonnage (11 AAC 86.766(d))	<input style="width: 40px; height: 20px;" type="checkbox"/>
d. other method approved by Division of Mining, Land and Water	<input style="width: 40px; height: 20px;" type="checkbox"/>
5. Enter the Net Income from Mining Operation, from Mining License Tax Form 04-662, Schedule A line 6, or line 14 from Form 04-662SF. If you have income from more than one mining operation, combine the net income values, including royalties.	\$ _____
6. Multiply line 5 by 3% (.03)	\$ _____
7. Enter rental credit for only those mining claims listed in section 1(11 AAC 86.760(3)) <i>(These are claims in production during the tax year.)</i>	\$ _____
8. Enter Exploration Incentive Credit. (Attach a copy of credit authorization)	\$ _____
9. Subtract lines 7 and 8 from line 6. If less than \$0, enter \$0 and <b>enter on line 1 Section IV.</b>	\$ _____
