## REQUEST FOR EXTENSION OF PERMIT OR AUTHORIZATION

Check box that applies:

- Construction of water withdrawal, conveyance, and use structures authorized under the above-numbered Permit to Appropriate Water, of which I am the lawful holder, is not complete and/or beneficial use of water is not fully established. Note: Permit holder must show diligent effort toward development of the authorized beneficial use.
- The project for which water use was authorized under the above-numbered Temporary Water Use Authorization is not complete.

<i>CURRENT WATER USE</i>		
Amount(s) of Water Use	Type(s) of Water Use	Water Use Period(s)

*If structures are different from those listed on your Permit to Appropriate Water or Temporary Water Use Authorization, then attach sketch or plans of structures for withdrawing, conveying, and using water.*

Description of Structures Already Completed
Description of Structures to Be Installed

Reason Work Has Not Been Completed
Estimated Date of Completion

The information you provide on, or submit in connection with, this form is made a part of the state public water records and becomes public information under AS 40.25.110 and 40.25.120. Public information is open to inspection by you or any member of the public. A person who is the subject of the information may challenge its accuracy or completeness under AS 44.99.310, by giving a written description of the challenged information, the changes needed to correct it, and a name and address where the person can be reached. False statements made in an application for a benefit are punishable under AS 11.56.210.

<b>SIGNATURE</b>	
I hereby apply for an extension of time to complete construction of the structures and/or establish full beneficial use of water.
