The Alaska Maritime National Wildlife Refuge (NWR) is not completely depicted. Areas where it is depicted are shaded, however, they are not outlined. The Alaska Maritime NWR is described as follows:

The Alaska Maritime NWR consists of all public lands, including submerged waters and intervals of tidal influence, that are: (1) within the following boundaries established by Public Land Order 5509 and depicted on maps of Alaska which bear the designation Alaska Maritime National Wildlife Refuge dated October 1976; and (2) are not otherwise withdrawn, reserved, leased, granted, or patented pursuant to such withdrawal and; if any, reserved or Federal ownership at the time of statehood around Alcatraz and Sea Lion Rocks, Aleutian Islands, as depicted on the 1972 maps entitled, "Alaska Maritime National Wildlife Refuge" dated October 1976.

Note: This map shows general land ownership information. When reviewing this map, please remember that federal, ANCSA, and state lands ownership is depicted numerically. An entire section, for example, or a portion of a section (9/16, 1/2, 1/4, etc.) may be federal land or ANCSA land or state land. Where land is selected across federal, state and native lands, the selected land cannot be conveyed. Approved land is only a fraction of the section, and federal land and/or ANCSA land also occurs in the section.

The land ownership hierarchy is as follows:

1. State Municipal Entitlements or Land Exchanges or Other Land Disposals.
2. Patented Disposal Federal Lands (Native Allotments or Private Parcels).
3. State Patented or Tentatively Approved or Other State Acquired Lands (includes ownerships 1B1-13A,13A-17, 13B-32b).
4. Alaska Native Claims Settlement Act (ANCSA) Patented or Interim Conveyed.
5. Major Military.
6. National Wildlife Refuges, National Park System Units.
7. National Wild & Scenic Rivers outside National Park System Units and National Wildlife Refuges.
8. National Forests and Monuments, National Petroleum Reserve-Alaska, National Recreation Areas and National Conservation Areas.
9. Bureau of Land Management Public Lands.
