Notice of Public Scoping for Possible
Updates and Revisions of DNR Regulations
Under Administrative Order 266**

11 AAC 67, Article 8, Land Exchanges

The Alaska Department of Natural Resources (DNR) is considering revising its regulations regarding land exchanges as outlined in 11 AAC 67, Article 8. This is being done in response to the revisions to AS 38.50 that were enacted into law through legislation, Ch. 57 SLA 16. For more information or a copy of the existing regulations and statutes, go to <http://dnr.alaska.gov/mlw/hottopics>, or contact Joe Joyner at Alaska Department of Natural Resources, 550 West 7th Avenue, Suite 1070, Anchorage, AK 99501-3577, joe.joyner@alaska.gov, or (907) 269-8511.

Specifically, DNR is seeking public input regarding the revisions of its regulatory framework related to land exchanges in response to Ch. 57 SLA 16. DNR is asking members of the public and industry for their input regarding suggestions and proposals which would assist the department in its efforts to revise and improve the regulations related to land exchanges.

The purpose of this notice is to ask the public for their ideas and suggestions for these changes and improvements to these regulations *before* the department undertakes the task of drafting any specific proposed revisions to these regulations for public review. These ideas and suggestions can be as broad or as narrow, or as general or as specific, as a submitter may wish.

The department is not currently proposing any *specific* changes at this time. There are no draft regulations to review. The department is soliciting feedback and comments from the public on how they would change or improve the existing regulatory framework related to land exchanges or for suggestions and proposals which would improve the regulations related to land exchanges before the formal process of drafting any proposed changes begins.

Written comments, suggestions, and other input must be received by DNR no later than 5:00 p.m. on December 9, 2016. Please send all submissions by mail or email to:

Written suggestions or other input should identify which regulation or provision of Ch. 57 SLA16 to which their suggestions or other input applies. DNR will consider the submitted information if and when DNR proposes regulatory updates and revisions to this Section. Any proposed regulatory updates and revisions will subsequently be released for public review and comment under the Administrative Procedures Act AS 44.62.
