Help clean up the favorite ATV riding area in Alaska.

Make a day of it with friends and family - work a little, play a little, meet new people and old friends and enjoy a fun and rewarding day! We supply the bags and trash disposal; you bring your gloves, your family and friends, sense of humor and favorite way to get around the area! Everyone who collects a bag of trash will be entered in the Door Prize Drawing and gets a plate at the BBQ!

Cleanup starts at 10 AM, the BBQ starts at 2 PM with the Door Prize Drawing at 3 PM.

Sponsored by the Alaska ATV Club with support from the MatSu Borough, DNR, local 4X4 truck clubs, boating clubs and area businesses!
