Vicinity Map

Township 26 North, Range 6 West, Sec. 7  
Township 26 North, Range 7 West, Sec. 11, 12, 15, 23  
Seward Meridian, Alaska

Location	North side of Petersville Road at Mile 9, eight miles west of Talkeetna.
Topo Map	USGS Quad Talkeetna B-1, B-2
Access	Access is by ATV's, snowmachines, or by foot along platted easements, rights-of-way or across unreserved state land where platted easements do not exist. It is recommended to use existing trails where possible to avoid disturbing soils and vegetation.
Terrain	Generally north-south trending hills of glacial moraine origin encompassed by relatively level, low-lying bogs and shallow lakes. Elevation ranges from 600 to 700 feet above sea level.
Soils	Generally are silts containing some sands and gravel overlain with six inches of organic materials. No permafrost was encountered in any of the test pits to the depths explored.
Vegetation	Vegetation on the upland areas includes dense growth of birch and alder along with some spruce, while black spruce and grasses are found in the low-lying bogs.
Water Front	ADL 212989 shown on ASLS 83-46 has an unnamed creek running through it and is subject to a 50-foot easement.
View	Unknown
Climate	Temperatures range from 44 to 68 degrees F in summer and 0 to 40 degrees F in winter, with extremes ranging from 10 to 85 degrees F. Annual precipitation is 29 inches, including 102 inches of snowfall.
Water Source	Availability is expected to be good with water tables occurring at eight feet in the well-drained uplands to as little as one foot in boggy areas.
Water/Sewage Disposal	Area is poorly suited for the development of reliable on-site sewer systems. Consideration should be given to alternative septic disposal systems such as burn or composting toilets. Installation of individual water supply systems or sewage disposal systems must be approved by the Alaska Department of Environmental Conservation.
Utilities	None
Restrictions	Subject to platted easements and reservations, see corresponding ASLS.
Municipal Authority	Located within the taxing authority of the Matanuska-Susitna Borough.
Homeowners Assoc.	None
Other	Located within the Susitna Area Plan.

ASLS 87-94 Sec. 7

# Veteran's Land Discount

The Veteran's Land Discount described in this section cannot be applied to parcels acquired in the Veteran's Preference Sale. Per AS 38.05.940, eligible veterans may receive a **25 percent discount** on the purchase of state land. This Veteran's Land Discount may only be used **once** in an applicant's lifetime.

## Veteran's Discount Qualifications

To be eligible, a veteran must submit proof, acceptable to the department, that he/she:

1. Is 18 years of age or older at the date of sale;
2. **Has been a resident of the State of Alaska** for a period of not less than one year immediately preceding the date of sale (see Residency Requirement);
3. Has served on active duty in the U.S. armed forces for at least 90 days, unless tenure was shortened

due to a service-connected disability or due to receiving an early separation after a tour of duty overseas (use Form DD 214); and

4. Has received an honorable discharge, or general discharge under honorable conditions.

For the purposes of this program, armed forces are limited to the United States Army, Navy, Marines, Air Force, and Coast Guard. Service in state National Guard units, the Alaska Territorial Guard, as well as Army, Navy, Marine, and Air Force Reserve service may also be included, provided the applicant can document the accumulation of 90 days of active duty service. A Form DD 214, Report of Separation from Active Duty, or the equivalent, showing the character of the discharge and length of active duty must be submitted. Interested veterans are encouraged to request their Form DD 214 well in advance of the auction.

The Veteran's Land Discount may be applied only to acquisition of surface rights to the land. **It may not**

**be applied to survey and platting costs, or other costs reimbursable to the state.** These reimbursable costs will be subtracted from the purchase price before the discount is calculated. The reimbursable cost per acre or lot is listed in the table on page 7.

Successful bidders who qualify for the Veteran's Land Discount **must apply for the discount at the time of the award notification.** The amount of the discount will be deducted from the principal sum of the sales contract or from the purchase price if the purchase price is paid in full.

For a purchase to be made jointly with another, both purchasers must be eligible veterans. Under these circumstances, only one 25 percent discount will be given and both veterans will have exhausted their once-in-a-lifetime land discount.

*At right is an example of how a Veteran's Land Discount would be calculated for a 3.349-acre parcel with reimbursable costs of \$959 per acre; if the bid price were \$14,000.00:*

<b>VETERAN'S DISCOUNT CALCULATION</b>			
Per Acre Reimbursable Cost	\$	959.00	
"X" Parcel Size (Acres)	x	3.349	
Total Reimbursable Cost	\$	3,211.69	
Bid Price	\$	14,000.00	\$ 14,000.00
Less the Reimbursable Cost	\$	-3,211.69	
Amount eligible for discount	\$	10,788.31	
25% Veteran's Discount Rate	x	0.25	
Veteran's Discount	\$	2,697.08	\$ -2,697.08
<b>Discounted Purchase Price</b> (Bid Price Less Discount)			<b>\$ 11,302.92</b>
Less 5% bid deposit of the full purchase price ( <i>do not submit a bid deposit based upon the discounted purchase price</i> )			\$ -700.00
<b>Balance Due</b>			<b>\$ 10,602.92</b>

### Reimbursable Costs for Calculating Veteran's Discount
