

Map 27 - Tazlina Hills ASLS 79-227

Location	Located in the Copper River Valley approximately 9 miles northwest of Copper Center.
Topo Map	USGS Quads Gulkana A-3
Access	Access is via the Richardson Highway and School Road. Parcels may also be accessed via the Tazlina River.
Terrain	Low rolling hills and creek valleys.
Soils	Sandy gravel and sandy silty material dominate the area.
Vegetation	Well-drained areas are predominately covered by white spruce, birch, and willow. Low-lying, poorly drained areas consist of black spruce and muskeg formations with scattered kettle lakes and ponds.
Water Front	Lot 14 Block 3 is located adjacent to a tract of state land along the Tazlina River.
View	Unknown
Climate	Temperatures average 42 to 68 degrees F in summer to -16 to 35 degrees F in winter. Extremes are between -64 and 91 degrees F. Annual precipitation averages 11 inches including 39 inches of snow.
Water Source	Water may be of poor quality or quantity and may have to be hauled from lakes and streams.
Water/Sewage Disposal	All lots have been approved by the Alaska Department of Environmental Conservation (ADEC) for non-water carried type sewage disposal systems (e.g. chemical, humus, incendiary, etc.). Anyone wishing to install any other type of disposal system must first receive approval from ADEC.
Utilities	None
Restrictions	Subject to platted easements and reservations, see ASLS 79-227.
Municipal Authority	None
Homeowners Assoc.	Any subsequent owner of any parcel within this subdivision automatically becomes a member of the Homeowners Association created to govern said subdivision.
Other	Located within the Copper River Basin Area Plan. ADL 219178 could possibly have junked cars and batteries on the lot.

Sec. 16

Note: It is the responsibility of the purchaser to review recorded subdivision plats/maps, surveys, and plat notes for specific information on easements, building setbacks, or other restrictions that will affect any individual parcel being offered. Information is made available at the Department of Natural Resources Public Information Offices or on the web at: (<http://www.dnr.state.ak.us/landrecords>).

Note: Authorized uses such as hunting, trapping, mining, or timber sales can and do occur on private, municipal, state, or federal land near the offered parcels. It is strongly recommended that applicants take this into consideration when applying for the purchase of state land.

Site Inspection: The Department of Natural Resources strongly urges anyone wishing to purchase a parcel to first review all information and then personally inspect the land before submitting a bid. The land chosen by a bidder/applicant is taken "as is" with no guarantees, expressed or implied, as to its suitability for any intended use.

Veterans' Land Discount

Per AS 38.05.940, eligible veterans may receive a **25 percent discount** on the purchase of state land. This Veterans' Land Discount may only be used **once** in an applicant's lifetime.

Veterans' Discount Qualifications

To be eligible, a veteran must submit proof, acceptable to the department, that he/she:

1. Is 18 years of age or older at the date of sale;
2. **Has been a resident of the State of Alaska** for a period of not less than one year immediately preceding the date of sale (see Residency Requirement);
3. Has served on active duty in the U.S. armed forces for at least 90 days, unless tenure was shortened due to a service-connected disability or due to

receiving an early separation after a tour of duty overseas (use Form DD 214); and

4. Has received an honorable discharge, or general discharge under honorable conditions.

For the purposes of this program, armed forces are limited to the United States Army, Navy, Marines, Air Force, and Coast Guard. Service in state National Guard units, the Alaska Territorial Guard, as well as Army, Navy, Marine, and Air Force Reserve service may also be included, provided the applicant can document the accumulation of 90 days of active duty service. A Form 214, Report of Separation from Active Duty, or the equivalent, showing the character of the discharge and length of active duty must be submitted. Interested veterans are encouraged to request their Form DD 214 well in advance of the auction.

The Veterans' Land Discount may be applied only to acquisition of surface rights to the land. **It may not**

be applied to survey and platting costs, or other costs reimbursable to the state. These reimbursable costs will be subtracted from the purchase price before the discount is calculated. The reimbursable cost per acre or lot is listed in the table below.

Successful bidders who qualify for the Veterans' Land Discount must apply for the discount at the time of the award notification. The amount of the discount will be deducted from the principal sum of the sales contract or from the purchase price if the purchase price is paid in full.

For a purchase to be made jointly with another, both purchasers must be eligible bidders. If both are also eligible veterans, only one 25 percent discount will be given and both veterans will have exhausted their once-in-a-lifetime land discount.

At right is an example of how a Veterans' Land Discount would be calculated for a 3.349-acre parcel with reimbursable costs of \$959 per acre; if the bid price were \$14,000.00:

VETERAN'S DISCOUNT CALCULATION			
Per Acre Reimbursable Cost	\$	959.00	
"X" Parcel Size (Acres)		x	3.349
Total Reimbursable Cost	\$	3,211.69	
Bid Price	\$	14,000.00	\$ 14,000.00
Less the Reimbursable Cost	\$	-3,211.69	
Amount eligible for discount	\$	10,788.31	
25% Veterans' Discount Rate		x	0.25
Veterans' Discount	\$	2,697.08	\$ -2,697.08
Discounted Purchase Price (Bid Price Less Discount)			\$ 11,302.92
Less 5% bid deposit of the full purchase price (<i>do not submit a bid deposit based upon the discounted purchase price</i>)			\$ -700.00
Balance Due			\$ 10,602.92
