Subject: 2014 Dewatering Access Road Install

Dear Mr. Martellaro,

Fairbanks Gold Mining, Inc. (FGMI) is requesting a modification to our Plan of Operations for the Fort Knox gold Mine. This modification includes clearing approximately 5 acres to accommodate the construction of the 4,100 foot realigned dewatering access road. Please reference the attached figures for location and alignment.

The realignment is a necessary to accommodate the Phase 8 Mining plan.

There are no wetlands identified in the area of this proposed disturbance.

Please feel free to contact me if you have any further questions at 907-490-6184 or email Jennifer.pyecha@kinross.com

Regards,

Jennifer Pyecha
