

Attachment to the City of Cordova's Application for Purchase or Lease of State Land

This application is a request for the conveyance of State tidelands containing the City of Cordova's harbor. The City is requesting the area of encroachment as well as the tidelands 300 feet off the northwest edge of the breakwater and the area of tidelands to the south of the encroachment extending 800 feet to the west of the ATS 220 boundary and squared off with the southern edge of ATS 220. See image below.
