

MANAGEMENT UNIT: HOUSTON

MANAGEMENT INTENT

- Management of the limited public land in this unit is to be consistent with the comprehensive plan for the City of Houston.
- Land disposals shall be consistent with the flood plain regulations in Chapter III, Goals, Policies, and Management Guidelines; Settlement.
- Management of public lands adjacent to the Parks Highway should be consistent with the recommendations of the report "Scenic Resources Along the Parks Highway." The recommendations in that report which are relevant to the Willow Sub-basin are in Appendix 1. The borough and state will encourage private land owners to follow recommendations in the report in order to protect the scenic values along the highway.

Recommended Land Uses
