

MANAGEMENT UNIT: POINT MACKENZIE

MANAGEMENT INTENT

- ° Land in this unit should be managed to contribute to development of the Point MacKenzie industrial area and supporting land uses. Land disposals and management decisions should be consistent with borough development plans.

Recommended Land Uses

- Development of the Point MacKenzie port facility, industrial area, and community
- Management of public land adjacent to Lost and Twin Island Lakes to ensure continued public access to these areas as well as continued recreational use of the lakes
- Point MacKenzie agricultural project
