Water Resources	WRR	0		897,448		897,448	100%	10%

- Acreage for Co-Classified land is represented more than once.
- Acreage for Land Classifications that no longer exist is reflected in the superseding classification. Most notably in YTAP, the Settlement (STL) Classification incorporates land formerly classified for: COM, HST, OTE, PVR, RSD and UTL.
