

# APPENDIX XVI.

## INDEX

- acronyms 297
- Alaska Department of Public Safety 293
- alpine ski area, Government Peak 64, 65, 130, 246, 248, 251, 253-255, 278, 291, 311-320, 339, 352
- Archangel Subunit:
  - description 232
  - guidelines 233-235
  - land use designations 232
  - management intent 233
  - planned actions 233
  - recreational uses 233-235
- avalanche:
  - cost of safety program for Hatcher Pass Road 265
  - guidelines 184-185
  - hazard 67-68
  - incidents 321-322
- Bald Mountain Ridge habitat area 105, 207, 276, 347
- Baldy North/Lucky Shot Ridge Subunit:
  - description 204-205
  - guidelines 207-210
  - land use designations 204
  - management intent 205
  - planned actions 206
  - recreational uses 208-209
- beavers 27, 104, 357
- Bibliography 357-360
- birds 23, 105, 107, 207, 276, 347
- buffers:
  - forestry 107
  - lake 178
  - stream 176-177
  - wetlands 190-191
- building stone 53, 129, 257
- Bureau of Land Management federal mining claims 152, 292
- campgrounds 207, 213, 255
- cattle grazing and moose:
  - economic analysis, 29, 31
  - research costs 274-275
- citizen participation 14, 16, 294, 344
- classifications 196-197, 290
- coal 75
- critical habitat proposal 325-326
- Department of Fish and Game implementation responsibilities 287-288
- Department of Transportation and Public Facilities:
  - compliance with plan 269
  - coordination with DNR 269
  - implementation items 269
- description of Hatcher Pass area 6-10
- Division of Agriculture implementation responsibilities 283
- Division of Forestry implementation responsibilities 283
- Division of Land and Water Management implementation responsibilities 276-282
- Division of Mining and Geology implementation responsibilities 284
- Division of Parks and Outdoor Recreation implementation responsibilities 285-286
- engineering geology 308-310
- Final Findings of the Commissioner on Objections to the Hatcher Pass Management Plan 349
- fish 24-25
- fish and wildlife:
  - description 22-25
  - evaluation 25-28
  - guidelines 103-105, 201, 206, 251, 256, 349, 350, 353
  - management strategy 102
- Fishhook Inn proposal 344
- flower diversity 65, 142, 347
- fly-in skiing 143, 339
- forestry resources:
  - access 33, 163-164
  - demand and supply, Matanuska Susitna Borough 37
  - description 32-34
  - evaluation 34-36
  - guidelines 106-108, 221
  - management strategy 106
- furbearers 22
- geothermal 74
- glossary 298
- gold panning 138-152, 343, 352
- Government Peak Subunit:
  - background 246-247
  - guidelines 251-257
  - land use designations 246
  - management intent 247-248
  - recreational uses 255-256
- grazing operation plan 113-115
- grazing/wildlife conflict 121, 124, 201
- grazing:
  - carrying capacity and gross value estimates 45
  - cattle on farms in the Matanuska Valley 43
  - criteria for lease/permit areas 44, 110, 112

- grazing (continued):
  - description 38-41
  - disease and parasite management 115, 118
  - evaluation 41-45
  - grazing operation plan 113-115
  - guidelines 109-125, 201, 207, 214, 223, 242-243, 252-253, 346
  - management strategy 109
  - potential grazing areas map 116-117
  - range conservation practices 119-120
  - range improvements 122-124
  - research needs 124
  - soil and range survey 40, 304
  - stocking rates 38
  - Willow Mountain 349
- habitat enhancement 25, 103-104, 107, 163-164, 201, 223, 283
- Hatcher Pass Public Use Area 133, 237, 242, 250, 262, 355-356
- heritage resources:
  - description 46
  - evaluation 46
  - guidelines 175, 213-214
  - management strategy 173
- high peaks primitive area 133, 143, 327, 338, 351
- Hillside Subunit:
  - description 217-218
  - guidelines 221-226
  - land use designations 217
  - management intent 218-219
  - planned actions 219-220
  - recreational uses 224-225
- hunting 9, 23, 54, 59, 62, 224, 345
- implementation of plan 17
- Independence Mine State Historic Park 4, 63, 132, 227, 228, 277, 335
- Independence Subunit:
  - description 227
  - guidelines 229-231
  - land use designation 227
  - management intent 228
  - planned actions 228-229
  - recreational use 230-231
- issues addressed by plan 12
- lakeshores and stream corridors:
  - guidelines, 175
  - lake buffers 178
  - management strategy 175
  - stream buffers 176-177
- land ownership 6
- legislative recommendations 262-263, 335
- Little Susitna Subunit:
  - description 240-241
- Little Susitna Subunit (continued):
  - guidelines 242-245
  - land use designations 240
  - management intent 241
  - planned actions 241-242
  - recreational use 243-244
- management intent for Hatcher Pass 100-101
- Matanuska-Susitna Borough coordination 291
- materials:
  - existing and potential sites 47-51, 126
  - guidelines 126, 210, 216, 239, 245, 257
  - management strategy 126
  - map of sites 49
- mental health lands 4, 225-226, 348
- mineral closing orders 147, 277-278, 342, 349
- mining:
  - access 202
  - emphasis in plan 345
  - lode mining 71-72, 145-148
  - map, high mineral interest areas, historic mines, inside pocket, back cover
  - placer mining 69-73, 145-148
  - public information 145, 282
  - recreational mining 72-73
  - soapstone 74
  - unauthorized use 182, 341, 354
- modification of plan 18, 302
- moose 22, 28, 65
- motorized access 59, 208
- non-motorized access 59, 244, 276, 338
- off-road vehicle use:
  - access 202, 203, 208, 214, 242, 250, 256
  - management policy 160-162, 279, 337, 352
- oil and gas 75-77
- organization of plan 5
- parking area priorities and costs 265-267
- planning process 14-15
- powerlines 134, 159
- public involvement summary 14-16
- public safety:
  - emergency phone recommendation 179
  - existing facilities 10
  - guidelines 139
  - problems 61, 354
  - rescue plan recommendation 179
  - snow avalanche hazard 67-68, 180-181
  - snowmachines in road 158, 352
- public use cabins 139, 349
- pull out costs 268
- purpose of plan 4

- range improvements 122-124
- recreation:
  - access 59-60
  - cost of management and capital improvements 271-273
  - demand and supply 63-65
  - description 54-61
  - economic analysis 65-66
  - evaluation 61-66
  - information and education 65, 141, 181, 282
  - management strategy 130-133, 140-141, 338, 351
  - private sector development 60, 134-139, 181, 203, 209, 215, 225, 229, 234, 239, 244, 251, 253, 294
  - public facility development 133-134
  - public use cabins 139
  - recreational mining 72-73, 152
  - visitation 55-58, 66
- Reed Lakes Subunit:
  - description 236
  - guidelines 238-239
  - land use designations 236
  - management intent 237
  - planned actions 237
  - recreational uses 238-239
- relationship to other plans 13
- repeater and communication sites 209-210, 226
- Response to Key Issues Raised by the Public to Draft Plan and DNR Responses 331
- snow survey data 91-93
- subsurface resources:
  - access 163
  - description 69-76
  - evaluation 77-78
  - guidelines 145, 207, 213-214, 221, 229, 235, 249, 251-252
  - high mineral interest areas, historic mines map, inside pocket, back cover management strategy 144
  - mineral leases 144, 147, 148, 149
- Susitna Area Plan 13, 99
- Talkeetna Mountains Special Use District 13, 291
- tourism 9, 12, 23, 27, 30, 55, 60, 61, 63, 65, 100, 101, 133, 136-138, 141, 183, 204, 227, 228, 247, 282, 343, 345
- trails:
  - location map No. 12, inside pocket, back cover
  - erosion 60, 200, 238
  - management 159-160
  - planned 250
- transportation:
  - cost projections for upgrade 85, 264
  - evaluation: future road improvements 86
  - guidelines 154-170
  - Hatcher Pass Road corridor analysis 165-170.1
  - historic road development 79
  - management strategy 153-154
  - state road system 80-81
  - traffic volume 83-84
- USDA Soil Conservation Service 4, 40, 112, 113, 292, 304
- unauthorized use of state land 182
- University of Alaska Agricultural and Forestry Experiment Station 292
- viewshed guidelines 103, 106, 108, 122, 127, 133, 135-136, 150-151, 155-157, 165-170, 184-190, 207, 230
- viewshed study
  - purpose and methods 87
- water:
  - data 323
  - description 89
  - evaluation 94
  - ground water 89-90
  - guidelines 171-172
  - management strategy 171
  - priority uses 171-172, 256, 278, 289
  - surface water 90-93
  - water quality 96, 172
- watershed:
  - guidelines 223
  - values, potential impacts 94, 95
- weather/climate 7, 324
- wetlands:
  - guidelines 190-191
  - management strategy 190
- wildlife viewing 22, 27, 30, 106-107, 216
- Willow Mountain Subunit:
  - access 202
  - description 198
  - guidelines 201-203
  - habitat designation 200, 263, 340, 350
  - land use designations 198
  - management intent 199
  - planned actions 200-201
  - recreational uses 202-203
- Willow Sub-basin Area Plan 13, 99
- Willow/Craigie Creek Subunit:
  - description 211-212
  - guidelines 213-216
  - land use designations 211
  - management intent 212
  - planned actions 213
  - recreational uses 214-216
