

Hatcher Pass Management Plan Revision Project

1. What areas within the management plan boundaries do you utilize most for recreational purposes?
(Indicate on the map)

2. When do you use this area the most? (Indicate seasonal use if relevant)
All seasons. Winter for backcountry skiing ^{ice climbing}, spring, summer & fall for rock climbing, hiking, pack rafting

3. What types of recreation do you practice the most?
(List any types you participate in; motorized, non-motorized, other)

Back country skiing, Skate skiing (monocle), rock climbing, mountaineering, hiking, pack rafting

4. What type of equipment do you use? (i.e. Snow Machines, ATV's, Ski's, Snowboards, etc?)

skis, ropes, feet.

But I use a car to get there!

5. How often do you participate in recreational activities in the area?

Probably 4-2x a month on average

6. What types of conflicts about recreational use in this area have you experienced? If none, indicate none.

Snow machines not giving skiers space, puns going too fast.

Parking lots are crowded, loud and skiers are not given much respect

7. Are there specific areas that you have experienced these conflicts in? How Often?

(Indicate on the map)

Lower parking lot

8. Other Issues:

Can you make the ash go away?

(This is a joke!)

Meeting Date: 04-01-09

Hatcher Pass Management Plan Revision Project

1. What areas within the management plan boundaries do you utilize most for recreational purposes?
(Indicate on the map)

2. When do you use this area the most? (Indicate seasonal use if relevant)

3. What types of recreation do you practice the most?
(List any types you participate in; motorized, non-motorized, other)
Backcountry skiing, primarily non-motorized

4. What type of equipment do you use? (i.e. Snow Machines, ATV's, Ski's, Snowboards, etc?)
Ski's, Snowshoes, snowboards and occasionally snow machines.

5. How often do you participate in recreational activities in the area?
3 days/week from December 1st through March 31st.

6. What types of conflicts about recreational use in this area have you experienced? If none, indicate none.
• Primarily; snowmachine safety issues on Marmott Mountain. Specifically a fear of being run over.
• Secondarily; areas being trucked out perpendicular to the fall line.

7. Are there specific areas that you have experienced these conflicts in? How Often?
(Indicate on the map)

8. Other Issues:

Meeting Date: April 15th 2009

Hatcher Pass Management Plan Revision Project

1. What areas within the management plan boundaries do you utilize most for recreational purposes?
(Indicate on the map)

In order
A - Gov. Peak D - Reed Lakes
