## DEPARTMENT OF NATURAL RESOURCES

OFFICE OF THE COMMISSIONER

STEVE COWPER, GOVERNOR

P.O. BOX 107005  
ANCHORAGE, ALASKA 99510-7005  
PHONE: (907) 561-2020

The Commissioner of the Department of Natural Resources finds that the Hatcher Pass Management Plan meets the requirements of AS 38.04.065 and 11 AAC 55.010-.030 for land use plans and does hereby adopt it. The Department of Natural Resources will manage state lands within the planning area consistent with this plan.

The Alaska Department of Fish and Game assisted the Department of Natural Resources in preparing the Hatcher Pass Management Plan. We appreciate the opportunity to represent fish and wildlife habitat and harvest values during the development of the plan. The Department of Fish and Game will use this plan as guidance when implementing its authorities and when reviewing and commenting on proposed uses of state lands in the planning area.

# INTRODUCTION

---

This document contains the amendment to the Hatcher Pass Management Plan. This amendment was developed by an interagency planning team with the assistance of a Citizens Advisory Committee. The final amendment reflects public comments received on the draft amendment. Only those parts of the plan that have been changed are included in this document.

Additions to the original plan are underlined. Deletions from the original plan are capitalized and enclosed in brackets [DELETIONS].

Until the amended plan is reprinted, this document must be used in conjunction with the original plan.
