LEGEND

- North Slope Planning Area
- Conservation System Unit (Offset for display)
- USGS 250k Quad Boundaries
- Township Boundaries
- Trans-Alaska Pipeline
- Secondary Roads (unpaved)

Wildlife[1]

- Moose Winter Range
- Muskox General Distribution
- Muskox Concentration Areas, April-June, & October
- Caribou Calving Areas
- Caribou Insect Relief Areas
- Caribou Migration Spring
- Caribou Migration Fall
- Caribou Migration Summer
- Dall Sheep General Range
- Dall Sheep Winter Range
- Dall Sheep Known Mineral Licks

All legend items may not appear on each map tile

NOTES

[1]The general distribution of moose encompasses all low lying areas of the North Slope region shown here, generally those less than 2000 feet in elevation. The general distribution of caribou also encompasses all areas of the North Slope region shown here. (*Alaska Habitat Management Guide, Arctic Region Map Atlas, State of Alaska Department of Fish and Game, Division of Habitat, 1986)*
