PERMIT STIPULATIONS

1. Permit is valid for rubber tracked vehicles over 1500 pounds up to and including Nodwell 110 sized vehicles.
2. Travel is only authorized on the main trail of the East Rex Trail.
3. No new trails shall be created.
4. No travel is authorized off the Rex Trail by vehicles over 1500 pounds.
5. Vehicle parking sites may be established within 100 yards of the Rex Trail within naturally occurring or existing clearings.
6. The vehicle operator must keep the signed and approved permit on site and available for inspection in the field at all times.
7. No skid mounted or wheeled trailers are allowed.
8. The established trail may be cleared of downed timber or brush provided that said clearing does not tear or otherwise destroy the vegetative mat (if present).
9. General vehicle operations shall be conducted in a manner which causes the least amount of impact to the vegetation and soil so as to avoid additional damage to the trail.
10. Stream crossings shall be conducted according to the following:
 - a. Crossings shall be made from bank to bank in a direction substantially perpendicular to the direction of stream flow.
 - b. Crossings shall be made only at locations with gradual down sloping banks. There shall be no crossings at locations with sheer or cut banks.
 - c. Beyond ordinary impact, stream slopes or banks shall not be altered or disturbed in any way to facilitate crossings.
 - d. Stream crossing activities shall avoid sensitive fish life stages. The Alaska Department of Fish & Game may restrict or prohibit activities during certain sensitive periods as necessary.
11. Permittee assumes all responsibility, risk and liability for its activities and those of its employees, agents, contractors, subcontractors, licensees, or invitees, directly or indirectly related to this permit, including environmental and hazardous substance risk and liability, whether accruing during or after the term of this permit. Permittee shall defend, indemnify, and hold harmless the State of Alaska, its agents and employees, from and against any and all suits, claims, actions, losses, costs, penalties, and damages of whatever kind or nature, including all attorney's fees and litigation costs, arising out of, in connection with, or incident to any act or omission by Permittee, its employees, agents, contractors, subcontractors, licensees, or invitees, unless the proximate cause of the injury or damage is the sole negligence or willful misconduct of the State or a person acting on the State's behalf. Within 15 days, Permittee shall accept any such cause, action or proceeding upon tender by the State. This indemnification shall survive the termination of the permit.
12. This permit does not eliminate the need to obtain other necessary authorizations from federal, state and local agencies and affected private entities.
13. The Division of Mining, Land & Water reserves the right to modify these stipulations or use additional stipulations as deemed necessary.
