PRESERVE

A topographic map of the Mount McKinley National Park region in Alaska. The map features a grid of latitude and longitude lines. A large area is outlined with a thick black border, and within this area, a smaller region is outlined with a thick green border. Two areas are labeled 'PRESERVE' in bold black letters: one in the upper left and one in the lower left. The map shows various geographical features including mountains, valleys, and rivers. A legend in the bottom right corner shows a dashed line and a solid green line. The map is mounted on a page with a ruler on the left side.
