Parcel Descriptions

Parcel #	Name	Approx. Area in Acres	Description/ <i>Plan Designation</i>
Non-producing Oil and Gas Resources			
OG.NE.1001	Nenana Gas Basin Tract	90,000	This parcel has oil and gas potential. Situated within the Nenana geologic basin, this area has a high probability for the presence of gas source rocks and a high probability that reservoir rocks are also present. Parcel excludes previous state subdivisions and DNR remote staking areas, and a current DNR remote staking area (Teklanika II). Buffer areas are to be created around this staking area, reducing the size of the parcel to about 90,000 acres. Public access, including future road access to state lands to the north and west of the parcel, are retained. <i>Wildlife Habitat and Forestry</i> .

Parcel Descriptions

Southeast Region			
SD.1001	Beecher Pass	1,193	Parcel is located on Kupreanof Island, southwest of Petersburg. It consists of a gently sloping coastal plain, covered in parts by spruce bog. The steeper slopes inland contain dry uplands and are vegetated with hemlock and spruce forest. The parcel also contains part of a previous state subdivision (ASLS 81-9); areas within the subdivision remaining in state ownership and designated as Settlement are included. Another state subdivision (ASLS 81-8) occurs to the east. The parcel is considered appropriate for settlement. Beecher Pass State Park is situated immediately to the south. <i>General Use and Settlement</i> . This parcel has been set aside until 2009 for possible borough formation.
PA.1002	Biorka Island	438	This parcel, situated on Biorka Island southwest of Sitka, consists of two separate parts. The westerly parcel is situated northeast of an FAA radar facility, with access provided by a road which, in turn, accesses a landing/beach area for the island situated to the east. The easterly part is situated east of the main part of Biorka Island and is joined to it by a narrow beach area. Both parcels are flat and are covered by forested wetlands. Considered appropriate for settlement (remote cabin sites). <i>General Use</i> .
KT.1002	Cleveland Peninsula	4,055	This parcel consists of three distinct parts, all of which occupy the northern part of the Cleveland Peninsula, located northwest of Ketchikan. The two large parcels occupy uplands at Spacious Bay and Sunny Bay, both of which are important recreational destinations. The third parcel occurs at Square Island, within Spacious Bay. The two larger parcels support hemlock and spruce along the coast and forested wetlands further inland. Both parcels contain commercial forest resources, most of which occur in the more inland, higher elevations. Square Island is a gently sloping and flat island covered by forest and muskeg, except for coastal rainforest along and near the coast. There is limited use of Square Island for recreation purposes. Considered appropriate for remote recreation or remote settlement. <i>General Use</i> .

PW.CC.1001	Coffman Cove	1,984	Parcel is situated in and near the community of Coffman Cove, on POW Island. It consists of three separate units of land, each of which is considered good for settlement or recreational development. University already owns land in area and this will infill around their existing holdings. Coffman Cove has protected waters and road access. <i>Settlement.</i>
CS.EW.1001	Earl West Cove	3,564	Situated southeast of Wrangell, this parcel is considered good for land disposals and/or timber harvest. There is a hemlock and mixed hemlock/spruce forest that contains some commercial timber. An existing road system accesses previously harvested areas. An abandoned LTF provides water access. A crude ramp system also exists. <i>General Use.</i> This parcel has been set aside until 2009 for possible borough formation.
PW.ED.1001	Edna Bay	250	Parcel is situated in the community of Edna Bay, on POW Island. It includes fairly flat areas that are considered suitable for settlement. Parcel is near other University owned land. Roads access the parcel. Public docks are available and have improved the anchorage. <i>Settlement.</i>
PW.EC.1001	El Capitan North	1,847	Parcel occupies areas considered suitable for settlement and community recreation because of road access, terrain, and views of the protected waterway and Twin Lake. Parcel adjoins El Capitan Passage and Twin Island Lake. Parcel excludes Twin Island Lake and its islands. <i>Settlement.</i>
PW.ES.1005	El Capitan South	865	Parcel occupies most of El Capitan Island, which is strategically located in the protected waters of Sea Otter Sound. A small island, situated to the west, is also included in this parcel. Tract includes land suitable for commercial recreation and residential development. A particularly suitable site for commercial recreation development occurs in a sheltered bay on the south end of the island. Good anchorages exist. <i>Settlement/Commercial.</i>
NS.EX.1002	Excursion Inlet	477	This parcel, which consists of four separate parts, is situated north and east of the current subdivisions in Excursion Inlet. Access is provided by water, local roads, and an old Forest Service road. Topography varies from generally flat to moderately sloped. Vegetation consists of hemlock and spruce on the better drained soils and by wetlands in the wetter areas; portions of the parcel may be de-vegetated. Considered suitable for remote settlement. This parcel is the last holding of state land in Excursion Inlet. <i>Settlement and General Use.</i>

SD.1001	Favor Peak	1,290	This parcel is located on the southeastern tip of Mitkof Island, from Banana Point to Dry Strait. It is served by a well established road system (Forest Service Road 7). Several areas of commercial forest were harvested in the early 1970s and are dispersed throughout the unit. Areas of the parcel that adjoin the coast may be suitable for settlement. Areas north of the road are fairly steep, and contain areas of hemlock and spruce. <i>General Use</i> . This parcel has been set aside until 2009 for possible borough formation.
CR.1001	Harris Road Junction	320	Parcel consists of fairly flat, vegetated terrain consisting of hemlock and spruce. It is situated along the main island road west of the community of Hollis, at its intersection with the Harris River. In selection status. Potential exists for residential development. <i>Settlement/Commercial</i> .
PW.HO.1001	Hollis	622	Parcel is situated in the community of Hollis, on POW Island. Parcel consists of three separate parts, two of which have direct road access (Klawock-Hollis highway) and adjoin areas of existing development. Land is suitable for residential development and, in some locations, commercial use. Previous state subdivisions occur throughout the Hollis. <i>Settlement</i> .
PW.HK.1001	Hook Arm	1,280	Parcel is situated on the west side of Dall Island, southwest of POW Island. This parcel has a good anchorage, high fish and game values, offshore commercial fishing activities, and resource development activities planned nearby. Tract may be suited for remote residential development or commercial use. In selection status. <i>General Use</i> .
JU.NL.1001	Ivanhoe	120	This parcel is comprised of patented mining claims in a known mineralized area north of Juneau. <i>Mineral and Habitat</i>
CS.LE.1001	Leask Cove	460	Situated in upper George Inlet, north of Ketchikan, this parcel occupies relatively flat coastal areas, much of which has been previously harvested, and which has some potential for remote settlement. Most of the commercial forested area outside of the existing subdivision is in rotation. The cove provides a good anchorage. There are several previous state subdivisions nearby. <i>Settlement and General Use</i> .

University of Alaska Land Grant List 2005 Parcel Descriptions

JU.LM.1001	Lena Creek	610	This parcel is located near Lena Creek, north of downtown Juneau. This parcel excludes an approved municipal conveyance of approximately 100 acres to the CBJ. The exact location of this CBJ tract must still be surveyed, so the area conveyed to the UA is somewhat uncertain at this time. The parcel map indicates the general location. <i>Transportation, Settlement, Public Recreation--Dispersed.</i>
ST.LS.1001	Lisianski Peninsula	1,443	This parcel occupies the remaining areas of state land on the Lisianski Peninsula, situated directly north of Sitka. Portions of the parcel are relatively flat, although the central and southern parts are quite steep. Within areas along the coast and in some inland areas, hemlock and spruce forests predominate; other areas are occupied by scattered wetlands. Water access is available from Cedar Cove; a forest service road accesses the central portions of the parcel. Adjacent land to the north is part of the Tongass National Forest; MH Trust lands are situated to the east. Considered appropriate for remote residential. May have some limited commercial timber potential; some areas of previous harvest exist. <i>General Use.</i>
JU.1002	Lynn Canal	1,358	This parcel occupies a fairly flat area on the west side of Lynn Canal, north of Juneau, that is heavily vegetated with a mixture of wetlands in poorly drained areas and Western Hemlock and Sitka Spruce in drier, better drained sites. It is bounded on the west by the Tongass National Forest. The parcel is easily visible from the marine highway route in Lynn Canal, and is considered suitable for commercial recreation or settlement. <i>Public Facilities-Transfer, Public Recreation and Tourism-Undeveloped.</i>
ST.1001	Middle Island	665	This parcel includes the remaining state lands on Middle Island that are not part of the previous state subdivision (ASLS 87-129) or conveyed to the City/Borough of Sitka or the Mental Health Trust Authority. Middle Island is situated west of Sitka. The parcel occupies the central part of Middle Island, although portions front the water on the northwest and south. Except for areas near the coast on the south and northwest, which are considered suitable for settlement, the remainder of the parcel contains steep terrain. Forested wetlands cover most of the less severe terrain, while western Hemlock and Sitka Spruce cover the remainder. <i>Settlement, General Use.</i>
