Additional snow and weather information can be found at the Tokositna Valley Snowtel website at: <http://www.wcc.nrcs.usda.gov/snotel/snotel.pl?sitenum=1089&state=ak>.

Back country users: Back-country use in Denali State Park may have hazardous condition with steep slopes, river crossings with open leads and shelf ice, high winds and extreme cold. Weather conditions can change rapidly and threaten your life. BE PREPARED!!! Remember hypothermia is a life-threatening problem. Safe traveling and planning can prevent backcountry emergencies and costly search and rescues. Always let someone know where you're going. Know the hazards of the country you're traveling in. Travel with safety gear and emergency provisions. Please operate your snowmobiles in a responsible manor to protect park resources and so that all users can enjoy the park.
