Public Notice:

Captain Cook SRA

Due to the abundant beetle kill in the Captain Cook SRA, Alaska State Parks has been performing Fuels Reduction in order to mitigate the potential for wildfires in the Kenai / Prince William Sound Region. The Swanson River Takeout gate will be closed on Thursday November 5th until further notice. The Discovery Campground, and Stormy Lake Swim Beach gates will be open from 10:00am on Monday November 9th and will remain open until 1:00pm on Thursday November 12th to allow the public to harvest fallen trees for firewood. Additional trees have been fallen and are available at the Stormy Lake Boat Launch. Only trees that have been cut down may be removed. Please leave all unwanted limbs and brush at the edge of the road for easy removal. Later dates may become available to harvest additional firewood in other areas of the Captain Cook SRA.
