A few necessary do's and don'ts:

- Do not leave food or garbage in the cabin at the end of your visit. It might seem helpful to share food with future cabin users, but food (even in airtight containers) attracts bears and small animals. It doesn't take them long to seriously damage a cabin.
Please pack out everything you packed in.
- Do not leave cookware, sleeping pads, or other items in the cabin at the end of your visit.
- Please leave some cut dry wood for the next visitor. A bow saw and ax are provided for your use. Only down or burnt trees may be cut.
- Keep the fire in the stove under control. Do not leave the dampers open when you are not in the cabin.
- Please dispose of all waste water in the toilet. Water dumped outside the cabin is unsightly, unsanitary, and attracts unwanted wildlife. Do not place garbage in the toilet, please pack it out.
- Target practice is not allowed in the Recreation Area except at the Mile 36.5 shooting range. The discharge of weapons is allowed only for the lawful taking of game.
- Stay alert and cautious of any trapping activity in the area. Traps and bait may be located near trails. Children and pets should be monitored closely.
- Do not leave pets unattended inside the cabin at any time.
- Feel free to write your comments in the cabin's logbook. Please report any missing or damaged furnishings or other problems to the Public Information Center in Fairbanks immediately, (907) 451-2705.
