

Contractor's List The consultants listed are not certified in any way by this office. It is up to the individual to make sure the consultant is qualified to do the work for which they were hired.

Following is a list of persons who have requested that their names be included in the State Historic Preservation Office cultural resource consultants list. This list does not the work of any consultant. We do not verify that firms or their staff meets the qualification guidelines outlined by the Secretary of the Interior or the State of Alaska. For state funded projects the minimum qualifications are a B.A./B.S. in archaeology, history, preservation, and anthropology. The list of consultants meets the qualification guidelines to reduce potential issues during Section 106 review.
