RE: Historic Preservation Development & Pre-Dev Grant Applications

To Whom it May Concern:

The Office of History & Archaeology is accepting grant applications for *historic preservation development* and *pre-development* projects in Alaska. All projects would need to be completed by September 15, 2022.

The Historic Preservation Fund (HPF) grant program provides up to 50 percent matching assistance for the cost of a development or pre-development project. Development grants are for rehabilitation of Alaska buildings and structures listed in the National Register of Historic Places, individually or as contributing properties to a historic district. Pre-development grants are for Alaska buildings and structures on or eligible for the National Register.

The Office of History & Archaeology anticipates \$150,000 will be available to award to eligible projects. Pre-development requests are limited to \$3,500 minimum and \$10,000 maximum in matching assistance. Development requests have a \$10,000 minimum and \$27,000 maximum in matching assistance.

The application deadline is 4:00 p.m. on Friday, October 15, 2021. The FFY21 HPF application package is available online at <http://dnr.alaska.gov/parks/oha/index.htm> or by contacting the Office of History and Archaeology shown below.
